**LP – To improve resilience
when answering difficult
questions**

Throughout your education you will be faced with challenging questions and problems to overcome. It is important that you work through such challenges in a logical manner and do not give up when you don't find the answer immediately.

The following questions will make you really think!

Brain Teaser

Brain Teaser

The red house is on one side and the blue is on the other, where is the white house?

Answer: In Washington D.C.

Brain Teaser

A girl is sitting in a house at night that has no lights on at all. There is no lamp, no candle, nothing. Yet she is reading. How?

Brain Teaser

A girl is sitting in a house at night that has no lights on at all. There is no lamp, no candle, nothing. Yet she is reading. How?

Answer: The woman is blind and is reading braille.

Think about how you felt when you didn't know the answer.

Did you panic, go blank, look for help, feel annoyed or try to not care?

How long did it take before you gave up?

How will this understanding of who you are help with your behaviour in exams?
