

17<sup>th</sup> October 2017

Dear Parents/ Carers,

The Academy has worked tremendously hard over the last two years to make rapid improvements in order to improve the quality of provision and the academic outcomes of our students.

Last week saw the release of the 2017 School Performance Tables and it gives me great pleasure to report the following:

- TCA is in the top 6 schools in Kirklees for student progress
- TCA is the NUMBER 1 school in Kirklees for improvement to student progress
- TCA is now in the top 18% of schools nationally for student progress
- Student progress at TCA is now 'above average'
- TCA is one of only 124 schools nationally to significantly improve student progress
- TCA is 83rd out of more than 3000 schools nationally in terms of improvements to student progress
- This puts TCA in the top 2% of most improved schools nationally

This is a huge achievement and the result of a lot of hard work, effort and determination from staff, students and parents/carers.

Thank you for your continued support. We look forward to working with you in the future to improve outcomes for our students even further.

Yours sincerely

Bev Matthews  
Headteacher
