

1<sup>st</sup> December 2017

Dear Parents/Carers,

I write to you with three weeks left before the end of what has been a very productive term full of hard work and efforts by both staff and students. However, we are not yet at the end of term, and there is a significant amount of learning still to be done before term ends on Friday, 22<sup>nd</sup> December.

With this in mind, and to ensure that students' focus on high expectations is maintained, from Monday 4<sup>th</sup> December until the end of term, we will be having a drive to improve the already high standards of corridor behaviour. Where students are seen to be displaying excellent conduct, they will be rewarded through STAR cards by staff, but where students are displaying any of the behaviour issues below, they will be given a same day, 60 minute detention, of which you will be informed as soon as practicable by text message:

- Shouting
- Running
- Unacceptable language
- Disruption

At all times, corridors are the thoroughfares used by staff and students to move around the Academy, to and from lessons. This should be done calmly, quietly and sensibly, and the transitions between lessons should set a positive tone for the next period.

I thank you in anticipation of your continued support.

Yours sincerely,

Matthew Burton  
Deputy Headteacher
