Dear Parent/Carer,

Year 11 December Mock Examinations

Your child will be sitting Year 11 Mock Examinations from Monday 1st December – Thursday 11th December. Your child will sit examinations in all subjects dependent on their options. Attached to this letter is an examination timetable.

This examination period is an important time that is designed to provide an experience very similar to actual GCSE conditions. Examinations will take place in classrooms and the Gym and will be conducted under public examinations regulations with external invigilators. Full Academy uniform must be worn at all times. Students will attend lessons as normal after their examinations or when they do not have a timetabled examination.

For those students with special educational needs or disabilities (SEND) who qualify for access arrangements, these will be in place for all subjects to the same extent that they will be in the summer examinations.

Please note that attendance for these examinations is compulsory and vital. The outcomes for these are highly likely to be used to support college applications in the near future, so revision ahead of them is very important. Please ensure that your child works hard at home and attends TCA every day to maximise their chances of success. Our expectations of 'working hard and being nice' are through all we do, and these examinations are no exception.

If you have any queries regarding these arrangements, please do not hesitate to contact me on 01924 324890 or by email to james.macfaul@sharemat.co.uk.

Yours sincerely,

Mr James MacFaul
