

22nd May 2026

Dear Parent/Carer,

Year 10 Summer Examinations

Your child will be sitting Year 10 Examinations from Monday 22nd June – Thursday 25th June in Core Subjects, and in lesson time for the option subjects. Attached to this letter is an examination timetable for the Core Subjects.

This examination period is an important time that is designed to provide an experience very similar to actual GCSE conditions. Examinations will take place in the Gym and classrooms will be conducted under public examinations regulations with external invigilators. Full Academy uniform must be worn at all times. Students will attend lessons as normal after their examinations or when they do not have a timetabled examination.

For those students with special educational needs or disabilities (SEND) who qualify for access arrangements, these will be in place for all subjects to the same extent that they will be in the summer examinations.

Please note that attendance for these examinations is compulsory and vital. The outcomes for these are highly likely to be used to support college applications in the near future, so revision ahead of them is very important. Please ensure that your child works hard at home and attends TCA every day to maximise their chances of success. Our expectations of 'working hard and being nice' are through all we do, and these examinations are no exception.

If you have any queries regarding these arrangements, please do not hesitate to contact me on 01924 324890 or by email to james.macfaul@sharemat.co.uk.

Yours sincerely,

Mr James MacFaul
