Notes Why this topic is important...	This topic appears in theme 1 of the new AQA specification and it builds on learning at KS3. This topic is important because it teaches students how to understand and communicate language on a topic that important to them- their family and friends. It allows revision of some of the most fundamental key grammar points needed for every topic area. These include high frequency irregular verbs, reflexive verbs, possessive adjectives, adjectival agreements, negative structures, reference to past, present and future. This topic also gives students cultural awareness of other people; nationalities, religions and allows them to celebrate diversity.	This topic appears in theme 2 of the new AQA spec and second in our learning as it links well with technology. It covers key grammar points needed for future learning. This topic also gives people some cultural awareness of France as they will be able to give opinions and personal details on a variety of celebrities/famous people. Students will be able to: -refer to celebrity magazines/articles/ reviews, podcasts, social media, reality TV involving famous people and influencers, with opinions. - give opinions about celebrities’ activities/influences on young people and wider society. - refer to events involving famous people e.g. music, film, TV, fashion, culture and technology.	This topic appears in theme 3 on the AQA spec and in first module of the GCSE condensed curriculum resources because it covers and allows for revision of some of the most fundamental key grammar points needed for every single topic area. These include opinions followed by infinitives of regular -er verbs, phonemes, first person present/perfect tense and -er verbs in the present tense, adjectival agreements, comparative structures, negative structures, reference to past, present and future. This will support pupils’ future learning in future topics and make them better at becoming more fluent in using a variety of language and higher level/ high frequency structures. The writing and speaking exam may require students to produce information about their hobbies and interest and also detailed viewpoints backed up by reasons. The reading and listening exam may require students to use scanning, skimming, inference and deduction to identify and understand key details about free time activities and hobbies, opinions, frequency of events. Students will be able to: Express opinions and justifications on hobbies Describe how they spend free time with family and friends Describe how long they have been doing something for Use ‘<i>si</i>’ and ‘<i>cuando</i>’ with weather phrases	This topic covers and allows for revision of key grammar points needed for every single topic area. These include high frequency regular and irregular verbs, negative structures, time and frequency phrases and reference to past, present and future. This will support pupils’ future learning in future topics and make them better at becoming more fluent in using a variety of language and higher level/ high frequency structures. The writing and speaking exam may require students to produce personal information about festivals/traditions and also detailed viewpoints backed up by reasons about different festivals. The reading and listening exam may require students to use scanning, skimming, inference and deduction to identify and understand key details about festivals/traditions in the francophone world and give their opinions with justifications. Students will be able to: Give an opinion about a favourite festival and give a reason why Describe how they like to spend time during a custom or festival. use the verb ‘<i>hacer</i>’ e.g. with a weather phrase. Use an ‘<i>tener</i>’ phrase	This topic appears in theme 1 on the AQA spec. It covers and allows for revision of some of the most fundamental key grammar points needed for every single topic area. These include high frequency irregular verbs, reflexive verbs, possessive adjectives, adjectival agreements, comparative structures, negative structures, reference to past, present and future. This will support pupils’ future learning in future topics and make them better at becoming more fluent in using a variety of language and higher level/ high frequency structures. The writing and speaking exam may require students to produce personal information about their and other people’s lifestyle choices and also detailed viewpoints backed up by reasons about other people. This includes the subtopic of alcohol and substance misuse. The reading and listening exam may require students to use scanning, skimming, inference and deduction to identify and understand key details about people’s lifestyle, their opinions, their habits and their plans for a healthier lifestyle in the future.	This topic appears in theme 1 on the AQA spec and it covers and allows for revision of some of the most fundamental key grammar points needed for every single topic area. These include high frequency regular and irregular verbs, adjectives, comparative structures, time phrases, reference to past, present and future. This will support pupils’ future learning in future topics and make them better at becoming more fluent in using a variety of language and higher level/ high frequency structures. The writing and speaking exam may require students to produce personal information and also detailed viewpoints backed up by reasons about other people. The reading and listening exam may require students to use scanning, skimming, inference and deduction to identify and understand key details about school life Students will be able to: Express opinions on their favourite and least favourite subjects Describe what they like about school, the facilities, the staff and friends.
